1. WHAT IS THIS CD

This CD you have just received is 2283084 Signa Ovation Service Methods.

The Service documentation contained on this CD is accurate and the most recent for the Signa platform. The evaluation is for user interface functionality and completeness.

Please address comments, suggestions to:
GEYMS MR Service Documentation Team
E-Mail: MRSVDOC.YMS@gemsa.med.ge.com

2. WHAT IS NEEDED TO USE THIS CD

The documentation on this CD is web based format. Its contents is host OS independent.

2-1 Web Browser

Your system will need a web browser. This CD has been tested on Internet Explorer and Netscape for Windows 95/98/NT, Netscape for IRIX and Sun based OS's.

The Signa Host computer is preloaded with the Netscape browser.

MR Service Engineering does not supply a web browser with this CD ROM for Windows based machines.

2-2 Adobe Acrobat Reader

You will also need Adobe Acrobat Reader version 4.0 or greater loaded on your system. The Signa Host computers are preloaded with Acrobat Reader 4.0 starting with Signa Ovation. If using this CD on a windows based computer, Adobe Acrobat Reader version 4.0 reader can be obtained from www.adobe.com.
